GENERAL EDUCATION DISTRIBUTION
TYPICAL COURSES LIST FOR FALL 2013

- This list includes courses that may not be offered every semester. Check the course listings each semester for availability.
- This list should be used in conjunction with the graduation requirements, general education requirements, and Arts & Science Foundation Requirements listed in the Undergraduate Catalog. Please check the Undergraduate Catalog for prerequisites and course descriptions.
- This is only a partial list of courses students can take to meet General Education Distribution requirements. The entire list of courses that can be used to meet General Education Distribution requirements can be found at: http://generaleducation.missouri.edu/courses. The list of Writing Intensive courses offered each semester can be found on the Campus Writing Program’s website: http://cwp.missouri.edu
- This list is subject to change. Pay attention to the codes at the end of course listings, especially N for Non-A&S Course. Code key at end of document.

MAY NOT

Special Note for Arts & Science Students:

(N) Course is offered outside of the College of Arts & Science. This non-A&S course may be used to fulfill an Arts & Science BREADTH OF STUDY requirement. It MAY NOT be used to fulfill an Arts & Science DEPTH OF STUDY requirement. Only ONE NON-A&S course may be used in each of the Breadth of Study areas. The entire list of courses for General Education Distribution does not note courses outside of the College of Arts & Science. See list of Arts & Science departments at the following website to verify courses in A&S departments http://coas.missouri.edu/student.html

(MP) Course meets Math Reasoning Proficiency requirement (must earn C- or better to fulfill requirement). College Algebra must be completed with a C- or better before enrolling.

(CL) Course is cross-listed under two or more departments. Cross-listed courses cannot be repeated in multiple departments for credit. If a cross-listed course you are taking is not found on this list, look for it under other departments with which it is cross-listed.

Topics courses ending in -01 do not fulfill general education requirements. Check with your advisor or with the Arts & Science Advisement Center if you have questions.
